Open to all who have done Brain Gym 101

### **Presenter Julie Gunstone**

*Julie has been an Educational Kinesiologist for the past twenty years. She has a practice, The Thinking Body, in Melbourne, Australia.*

*As a member of Faculty for the International Educational Kinesiology Foundation, Julie teaches in Australia and overseas, the various courses for people wishing to become professionally qualified as Brain Gym Consultants/Instructors.*

*In Australia, she takes Brain Gym into the classroom teaching both teachers and students how to use Brain Gym to improve learning readiness.*

*She has received awards from Brain Gym International, and The Australian Kinesiology Foundation for her contributions to Kinesiology. She is currently the Chairperson of International Faculty.*

**You can contact Julie by:-**

**Phone :03 8802 8089 or 0414 963 232**

**Email :[thinkingbody@optusnet.com.au](mailto:thinkingbody@optusnet.com.au)**

**Visioncircles** is an opportunity to explore your visual, auditory and sensory awareness through movement, play, art and the Edu-K balance process.

**Visioncircles** introduces you to Vision Gym, 32 movements for integrating sensory awareness, memory and information processing. You will also learn new uses for Brain Gym for increased awareness.

This course considers eight areas of development and helps you explore areas that may have been blocked or compromised during childhood.

It presents *Vision Gym* activities and new use of *Brain Gym* for visual, auditory and kinesthetic awareness, repatterning of primary perceptual skills, experiential play and art and visualisation to expand your horizons.

*Part of the Professional Training track to become a qualified Brain Gym Instructor/Consultant Accredited with the Australian Kinesiology Association*

**Pre-requisite : Brain Gym 101**

**DATES FOR 2012: 9,10,23,24 JUNE**

**TIMES: Days 1,3,4 9am – 5pm Day 2 1pm – 8pm**

**FEES: \$550 Full Fee/ \$295 if reviewing. GST included in fee. Full fee includes manual and workbook.**

**LOCATION: Balwyn**

**Book your place by sending a deposit today. Registration form overleaf.**

*Visioncircles is an opportunity to explore your visual, auditory and sensory awareness through movement, play, art and the Edu-K balance process.*

## Training in Brain Gym®/Edu-K

There are a number of courses in the Brain Gym®/Edu-K program that allow you to gain more understanding of the work. Training is available to become an accredited Brain Gym® Instructor and Consultant. The Brain Gym® program is fully accredited with the Australian Kinesiology Association and Brain Gym® International

**It just takes 4 steps to complete.**

1. **Complete Brain Gym 101 twice and case studies .**
2. **Complete 3 courses:**
  1. **Optimal Brain Organisation** (a required course)
  2. **Kinesiology based Anatomy and Physiology Course – Touch for Health** is one option that is readily available in Australia. Touch for Health 1 is a minimum requirement. Touch for Health 2 to 4 are recommended but not required.
  3. **Edu-K Foundation course - Visioncircles** is one option that is readily available in Australia.
3. **Complete the Edu-K In Depth course and case studies**
4. **Complete the Brain Gym® Teacher Practicum**  
A more detailed training brochure is available from Julie or check out [www.braingym.org.au](http://www.braingym.org.au)
